## Boka Forest Congress Room

The smell of wood, the warmth of a fireplace, a forest view from every window. Experience and connect with the forest.

Hotel Boka presents a new and unique congress room. Our multifunctional room of 160 m<sup>2</sup> with a unique Slovenian design, made from natural materials offers an attractive panoramic view of the Alps, as the fireplace invites our guests to experience special moments.

Hotel Boka is an enjoyable venue for your business gatherings, meetings, and team building as well as special events and incentives. As an oasis of calmness and tranquility, we are an ideal spot for brainstorming sessions, educational workshops, and practical training. From company celebrations and promotions to discreet board meetings, all kinds of business & social gatherings are common in our hotel.

The singularity of our offer lies in the combination of activities, local cuisine and wines, comfortable accommodation, and hospitable staff. All this in the beautiful and peaceful Soča Valley.

## Boka Forest Menu

Taste the tradition. Experience the Soča Valley. Feel the connection.

It is a combination of 400 years tradition, gifts of nature, and the special energy of our chefs and sommeliers.

Our guests may select from pre-designed meal options and bespoke alternatives, that are served from morning till night.

There is no good food without good wine. Hotel Boka cooperates with several slovenian wine-makers. Slovenian wine-growing regions like Goriška Brda, Vipava Valley, Karst, Primorska and Jakončič Wine house from Kozana in Goriška Brda are our in-house winemakers.
