Corporate brochure 2020/2021

A unique setting for your corporate gateway

Cosy, family run Hotel Boka is placed in Soča Valley - in the triangle of Slovenia's highest waterfall Boka, mightiest mountain Triglav and distinctive Soča river.

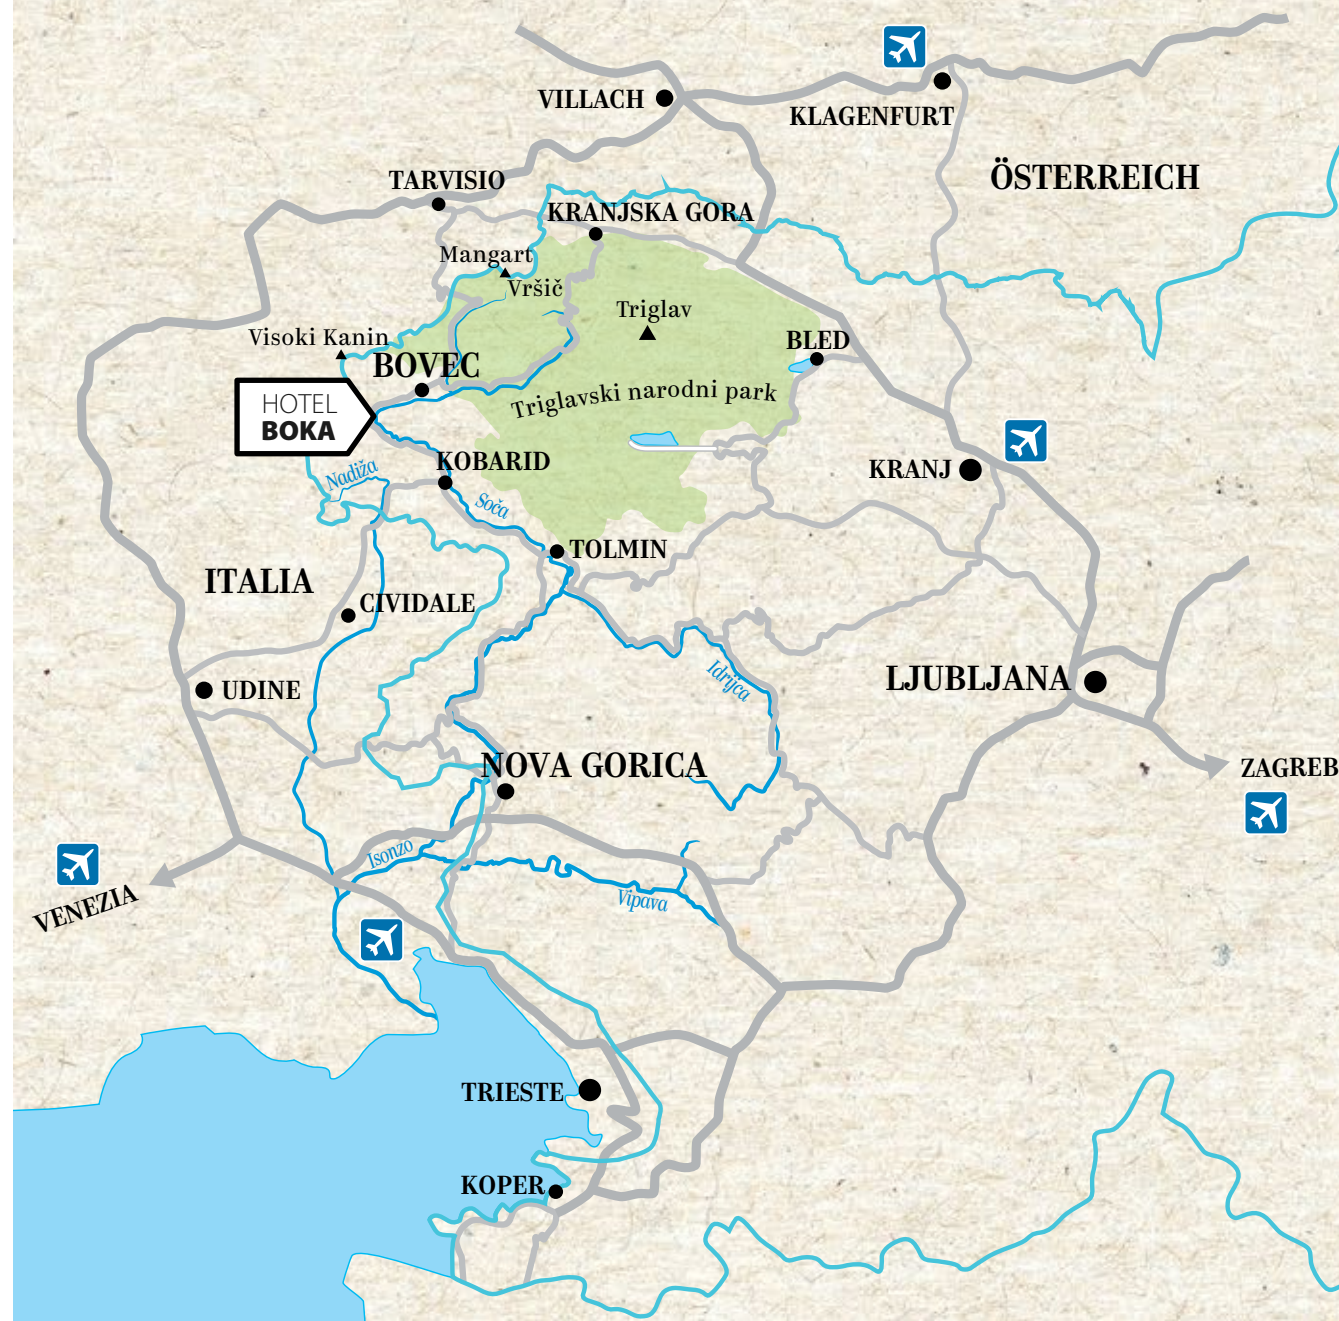

Beside spectacular panoramic views and exceptionally fresh air, hotel Boka demonstrates **the perfect venue for your work "out of office"**. Achieving the highest level of working and learning concentration of your team, is surely a prime and most significant element of every corporate gathering. And so is entertaining relaxation "after hours".

The breath-taking location of Soča Valley attracts "nature lovers" from all over the world. That inspires us to continually create and offer several outdoor and indoor activities, every season of the year.

Our dedicated staff is trained and motivated to provide a warm and personal hospitality experience. **Our day by day mission is to treat our guests with a personal touch** and deliver impressive and enthusiastic memories, full of friendliness and trust. Our team cordially welcomes you at BOKA Hotel."

Business at Boka

Hotel Boka is **an enjoyable venue for your business gatherings**, meetings, team buildings as well as special events and incentives.

As an oasis of calmness and tranquillity, we are **an ideal spot for “brainstorming” sessions**, educational workshops and practical trainings. From company celebrations and promotions to discreet board meetings, all kinds of business & social gatherings are common in our hotel.

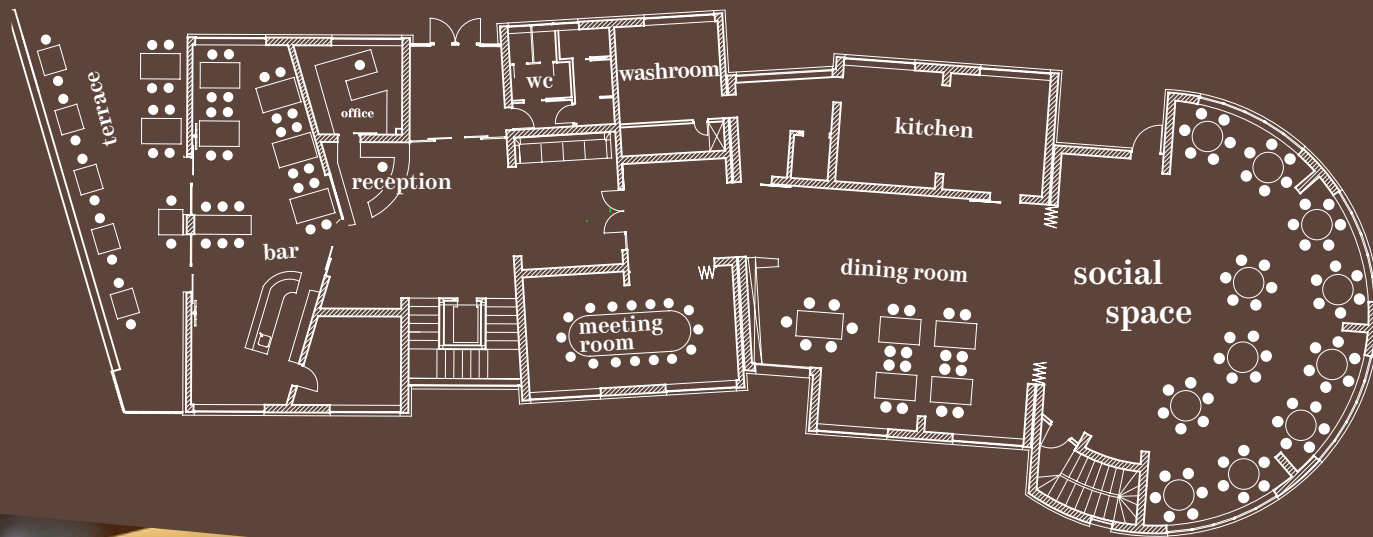

Our staff is experienced in diverse corporate settings, that balance best the work and fun.

Our **multifunctional room of 160 m²** invites guests with a simplicity of contemporary classic interiors and the attractive **panoramic view of the Alps**.

We might host and provide service for **up to 50 guests**.

Team buildings and incentives

Our team building programs and other group activities make the Hotel Boka an adventurous and fun place to be.

Our aim is to help you **create special bonds among the participants, that are authentic and profound.** Our guests may choose from several simple and fun, indoors and outdoors activities, any season of the year.

We are here to **support your ideas and design an activity program, that is going to match your group** size, age, gender ratio, industry specifics and corporate goals, perfectly. Flexibility is our strength.

During the program, diverse animations and creative tools are offered to set up an exciting and cheerful atmosphere. **Our programs are made to achieve the highest popularity and engagement among everyone in the team.**

Food & Beverage

For the Hotel Boka “going green” is a way of life and for this reason, we decided to serve **environmentally friendly foods only**.

- we are food **waste conscious**,
- we buy **local** ingredients from local producers and growers,
- our meat dishes are made from superb controlled **quality** ingredients,
- we prepare **vegetarian** and **vegan** dishes daily,
- we use **more plant-based proteins**, including lentils, chickpeas, potatoes, quinoa, and nuts,
- we curate **seasonal menus**,
- we take advantage of overripe fruits and vegetables by making sauces, stocks, breads, and desserts.

Our guests may select from pre-designed meal options and bespoke alternatives, that are served from morning till night. The Hotel Boka and their culinary team presents dishes that reflect our tradition and guests' needs.
