Values

Family, nature, knowledge, and self-esteem.

Mission

We are a family hotel that represents the most important life values, family, nature, knowledge and self-esteem. The hotel is located in the heart of the Soča Valley, where each of our guests can experience, taste, and feel the harmony of nature.

Vision

With the help of nature's gifts, professional staff, and an integral personal approach, we became more than a hotel, we became a center for quality vacations, education, and a center for understanding the value of the connection between humans and nature.

Boka Breakfast *****

Breakfast in Hotel Boka is prepared with carefully selected local and home-made delicacies. Dairy products of the Planika Dairy, honey produced in the Soča Valley, home-made jams, spreads, and sweet snacks, as well as seasonal fruit.

NEW
2023

Boka Breakfast to-go

To expand the understanding of our destination and to introduce all guests of the Soča Valley to the unique local products, we have decided to implement a new offer in 2023, called the „BOKA BREAKFAST TO GO “. Fresh coffee or a traditional herbal tea, homemade jam, milk from the Planika Dairy, seasonal fruit from our garden, local prosciutto, ham, cheese, and homemade pastries. We will deliver all these delicacies to you in special, sustainable packaging. Taste it, feel it, and fall in love with our Soča Valley.

Boka Taste Corner (24h)

In our hotel, time flows differently. The beauty and uniqueness of nature urges each of our guests to take advantage of every single moment in life. With complete understanding and care for our guests, we implemented a special taste corner. A corner that combines nature's gifts and the energy of tradition with our love. Special homemade herbal tea, seasonal fruit, and cookies made following a traditional recipe are available 24 hours a day.

Boka Forest Bistro

(A walk through the Soča Valley)

Emerald waters, fertile land, a clean environment, and a special Mediterranean climate have been respected and valued for more than four hundred years. This year, we are not just presenting a new menu, we are inviting you to join us in a special experience, where you will taste, feel and fall in love with our Valley. You will get to know the Bovška sheep, the Drežnica goat, the Soča trout, and the gifts of the Planika cows. You will smell freshly baked bread, you will be warmed by the traditional forest soup, and you will taste the local herbs as you walk through our garden and local vineyards. Pamper yourself with the special local desserts and finally get to know the healing spirits of our Soča Valley.

Boka Wine List

There is no good food without good wine. Hotel Boka cooperates with several winemakers from Slovenia wine-growing regions (Goriška Brda, Vipava Valley, Karst, Primorska) and the Jakončič Wine House from Kozana in the Goriška brda are our in-house wine-makers.

Feel...

...the gifts and the pure energy of nature. Awaken your soul, mind, and body through every human sense.

Boka Sauna & Relaxation Area

It is more than a sauna, this is a special treatment for the soul, mind, and body. Relaxation with an amazing view, a sense of warmth and security, self-acceptance, and enjoyment. Here and now. The adjacent relaxation area is an ideal spot to gaze at the stars while enjoying tea and snacks from the Boka Wellness menu, which are prepared following traditional recipes for better well-being that are more than four hundred years old. The aromatherapy individually selected by our wellness concierge provides a feeling of peace and complete relaxation.

Boka Wellness Menu

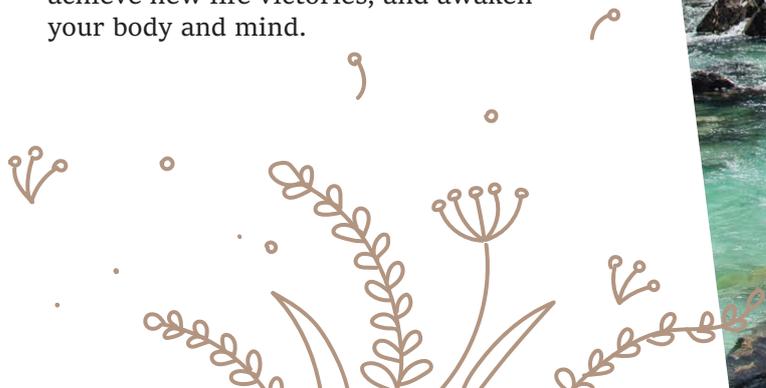

Experience the stunning nature of the Soča Valley, its river, forests, mountains, crystal clear air, and fantastic energy. It is a magical place. A place to heal the soul, mind, and body. For more than 400 years, special recipes have been used here for better well-being, relaxation, and soothing. We have collected the best recipes and created a special menu, the Boka wellness menu. Taste it, feel it, live it.

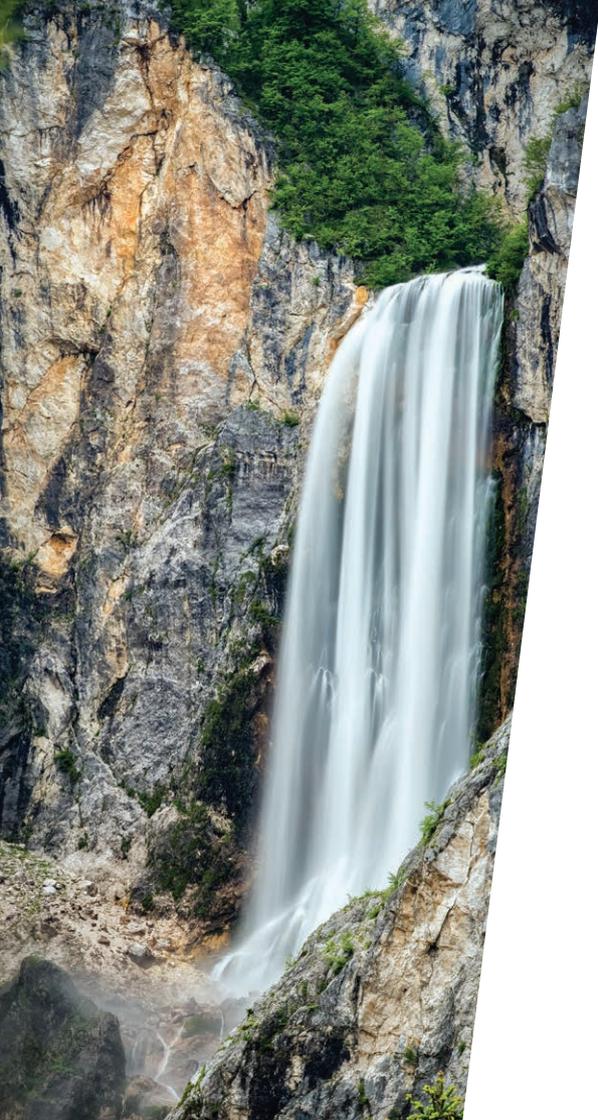

Boka Yoga by the Soča River

Do yoga alone or in a group of like-minded people and connoisseurs of the balance of soul, mind, and body, just 2 min away from Hotel Boka. Reconnect with yourself, feel the power of the Soča river, and let nature awaken your senses.

Boka Forest Wellness Ritual

Experience the complete relaxation of your body, mind, and soul. The beauty of nature, the magic smell of the forest, the soothing music, the environmentally friendly natural cosmetics, drinks and specialties that follow traditional recipes from the Soča Valley, ensure complete relaxation, encourage you to achieve new life victories, and awaken your body and mind.

Boka Waterfall Meditation

The smell of the morning forest, the crystal-clear air and the mighty Boka waterfall are just 10 min away from Hotel Boka. It is the best place to completely immerse yourself in nature, to disconnect from reality, and to relax body and mind. Experience freedom and peace.

Boka Aromatherapy

Close your eyes, take a breath, and forget all your problems and worries. Let the scents take you to a world of peace and complete relaxation.

Enjoy...

...the moments of power, positive energy, and sincere devotion to nature and yourself.

Rafting

It is the most thrilling group activity on the emerald-green river perfect for everyone who would wish to paddle through its rapids. It definitely is an adrenaline-filled experience, but not only that: it is also a breath-taking journey on the river Soča, where you will enjoy the views of picturesque mountain slopes rising above Slovenia's most beautiful river. If this is your first visit to the Soča Valley, rafting is definitely an experience you absolutely cannot miss. It is best enjoyed in the company of our friendly, highly trained, experienced, and licensed guides!

Canyoning

Intermittent streams, green pools, small and larger waterfalls, natural slides...

Canyoning is the most dynamic and playful experience in all of the Soča Valley. Walking through the narrow gorges carved by intermittent streams, paddling in crystal clear water, jumping into clear natural pools, and sliding down waterfalls. Canyoning is the TOP choice for all who wish to safely explore the wild, hidden nature, sheltered by the mountain slopes of the Soča Valley. It is a unique way to get to know the natural wonders carved in the distant past. Canyoning is best enjoyed in the company of our friendly, highly-trained, experienced, and licensed guides!

Kayak

Experience the joy of kayaking on one of the most beautiful rivers in Europe, revered by kayakers from all across the globe!

Are you a complete beginner who has never sat in a kayak before? Have you already paddled one but would prefer your first experience of a foreign river to be in the company of someone with an in-depth knowledge of the river Soča? Our friendly, highly-trained, experienced, and licensed guides will provide detailed information on the basics of kayaking and/or the characteristics of the river. With them by your side you will safely overcome the challenges of the rushing river!

Zipline

Lose the ground under your feet for a change and embark on an unforgettable flight. The adrenaline enthusiasts can choose between two zipline parks, which are among the top European parks of this type regarding their size and the natural beauty of the surroundings.

Let yourself be led by trained guides, indulge in an adrenaline rush, and take in the views of the idyllic Alpine world that a visitor of the Soča Valley can feel on every step. Treat yourself to an active experience and to a viewpoint from which the birds watch the wild valleys.

Paragliding

Many adrenaline enthusiasts want to see the Julian Alps and the Soča Valley, from a bird's eye view. Excellent thermal and wind conditions and the shape of mountains create good conditions for paragliders.

Mountain Biking

There are many easier and more demanding tours available in the Bovec region. If you plan to go cycling on your own, we offer mountain bike rental. However, if you want to experience the most attractive and scenic routes and visit the most hidden mountain corners and valleys our guide can also take you there

Hiking

The high mountain world of the Julian Alps. The unspoiled nature of the Triglav National Park and the proximity of the Soča river make the destination the Soča Valley one of the most beautiful hiking destinations. It is worth mentioning the Alpe Adria Trail, Juliana trail, Soča trail, and Walk of Peace. The first two take place near the Boka Hotel.

Active Picnic Place

If after rafting, canyoning or any other activity you wish to continue spending the day outdoors, you can do that in our TOP Centre, where you can take advantage of the pleasant picnic area. The use of our picnic area, located in the shade by the stream, is free for everyone who attends one of our outdoor activities!

Boka Active Lunch Package

Hotel Boka and its surroundings are an excellent outdoor playground for your active holidays. We can tell you about the best options and together with our partners we can organize an unforgettable experience, as well as take care of your energy. Let us present the 2023 novelty, the „BOKA ACTIVE LUNCH PACKAGE “. A lunch box composed of a healthy sandwich (made with fiber-rich wholegrain bread, protein spread, eco-processed meat, local cheese, and vegetables from our garden) and a very special homemade energy drink (made of local herbs and fruits, homemade syrups, and mountain water). Being active means being healthy.

Take Care...

...of nature. We live nature because we are nature.

Boka Sustainable Accomodation

At Hotel Boka we follow sustainable development. We use 100% natural cosmetics and cleaners and advocate for local products and providers. Nature should be our second home.

Boka Sustainable Culinary

Freshly picked, freshly prepared. Local products, seasonal cuisine, and true sustainability, that is what we believe in. Our local suppliers help us to live this vision. Together we are committed to a sustainable circular flow. The products we serve at Hotel Boka are always fresh, prepared with love and of course masterfully presented, with regional products always having priority.

BOKA Sustainable Project

BOKA BAG is not just an ordinary bag, but an element of connection and an incentive for a sustainable attitude, care for nature and the importance of understanding the role of the individual for a green future.

With the help of the Boka Bag story, which represents the elements of connection and is an incentive for sustainable orientation, we want to increase the understanding of the new concept of Hotel Boka, and present our values, mission, and vision.
